

Primary Election: Tuesday, August 10

What is a primary and why is it important?

The primary election determines who will be on the general ballot on Election Day. By voting in the primary, you can be part of the crucial step in determining who will appear on the general election ballot.

How do I vote?

Pre-register to vote before **Tuesday, July 20** or you can register on Election Day. Make sure to bring your ID to the polls!

Where is my polling place?

To find your polling location, visit: <http://pollfinder.sos.state.mn.us> which is the same for the primary and the general election.
